

Dear Resident;

Calibre Engineering has been working with the City of Englewood to prepare a flood study for areas impacted by recent flood events. Our preliminary study indicates that your property at 4648 S Acoma St may have experienced flooding; therefore, we would like to meet with you to discuss if you have experienced any flooding and, if so, acquire flooding information for your property. Please let us know if you have time in the coming week or two for a few Calibre Engineering staff to come to your home and talk about your flooding issues? Please feel free to call if that is easier. We thank you for your time and look forward to meeting you soon.
